

WHAT TO EXPECT WHEN BUILDING OR REMODELING YOUR HOME WITH DESCO FINE HOMES

OUR CORE PRINCIPALS:

- **ALWAYS RAISING OUR LEVEL OF QUALITY**, innovation, and being on the homebuilding forefront. Desco's builder and craftsmen all stay on top of emerging trends and the latest in green technology. The result is, you get a home that is thoughtful, efficient, and high performance.
- **EVERY CLIENT. EVERY TIME. NO EXCEPTIONS.** Desco Homes was built one client at a time and every client deserves to be "wowed". Opportunities for us to make a difference are everywhere, and usually they're found in the little things. Everything we do matters.
- **RESPONDING WITH A SENSE OF URGENCY TO EMAILS AND PHONE CALLS.** On the Desco team, we return all phone calls and e-mails the same day. There are five ways to reach us: cell, office, text, e-mail, and fax. This way, homebuyers are not left waiting for a return call and get their questions answered same day.
- **OBSESSED WITH FINDING A BETTER WAY.** Our mission is a never-ending quest to find a better way to building and remodel homes. If it's good, let's make it great. If it's great, let's take it to an even higher level. Don't settle for less. Homebuilding is our passion... and our way of living.
- **DOING THE RIGHT THING.** Doing it right the first time. Sticking to the highest standards of integrity and showing character without compromise.
- **WORKING DIRECTLY WITH THE BUILDER.** When building or remodeling with Desco Fine Homes, you work directly with the builder - not the superintendent like with other builders. Our mission is to stay small enough to work with customers one on one, yet to be large enough to take care of all the services and maintenance of their new Desco home after they move in.
